### **Local Eagle Scout Project Expands Personal Care Library at The Community at Rockhill**

**Sellersville, PA** – Eagle Scout candidate Stephen Keller of [BSA Scout Troop 16](#) (Franconia, PA) spent this past Sunday expanding the library for Personal Care (PC) residents of [The Community at Rockhill](#), a Grace Inspired Living community, to culminate his Eagle Scout Project.

Keller, a senior at Souderton High School, conducted a book drive and fundraiser throughout the month of September to support the project, coordinating with Rockhill's staff from multiple departments. The collection prioritized large print books and Keller even offered to arrange local pick-up of donations by email, scheduled at the individual donor's convenience, if they could not be hand-delivered to the Rockhill campus.

In addition to the many books that were collected, Keller used supplemental monetary donations to purchase new, flat-pack bookshelves, which he led a group of fellow Scouts from Troop 16 to assemble, place and fill on site in the [Personal Care](#) Activity Room on Sunday, September 28, 2025. The Community at Rockhill's Executive Director, Ted Leister, states:

*"We are honored to be the beneficiary of Stephen's efforts through his Eagle Scout Project with Troop 16. It was clear that he dedicated a great deal of time and leadership to this endeavor, and we're grateful for the way our greater community came together to make the lives of our Personal Care residents even better. We saw their excitement standing outside the Activity Room to watch the project come to fruition in real time and are thrilled that they now have an expanded library at their fingertips."*

Keller shares that reading has always had a special place in his life, and he hopes to bring that same joy to PC residents at Rockhill in an effort to enhance their daily life. Stephen is the son of Personal Care Administrator Pamela Keller, who oversees most day-to-day operations of Personal Care, or assisted living, within the community's care continuum. Any surplus funds from Stephen's project will be contributed to Rockhill's [Benevolent Care Fund](#), which supports residents who may exhaust their financial assets so they can continue to live at the community with stability and peace of mind. The fundraiser will continue through the month of October, and public donations can be made via Paypal (QR code) or by visiting [www.graceinspiredliving.org](http://www.graceinspiredliving.org).

The Community at Rockhill was founded in 1974 as "Rockhill Mennonite Community," and became jointly affiliated by not-for-profit 501(c)(3) Grace Inspired Ministries in 2017, along with Lutheran Community at Telford. The parent organization rebranded as Grace Inspired Living in November 2023. Both facilities are continuing care retirement communities, offering a full continuum of services and programs for retired seniors of Bucks & Montgomery Counties under the same roof—Independent Living, Personal Care, Memory Support (Telford only) and Skilled Nursing, including short-term rehabilitation.

###

*Grace Inspired Living (GIL) operates as a not-for-profit, faith-based entity, guided by God's love, dedicated to providing communities and services that enhance the lives of older adults in a supportive setting that values residents, employees, volunteers, and families. Visit [graceinspiredliving.org](http://graceinspiredliving.org) for more information.*
